## RATIOTEC POWERBANK

### **LOW BATTERY AND NO CHARGING CABLE? EVERY SMARTPHONE USER IS FAMILIAR WITH THIS SITUATION.**

This problem will soon belong to the past for your guests – with the ratiotec **TowerBank**.

The **TowerBank** consists of the charging station, which you can connect to the power via the power supply, and six powerbanks. Since different ports are required depending on smartphone type, the set includes two powerbanks with microUSB, USB-C and Lightning\* cables.

Recharging the powerbanks works by simply putting the stacked powerbanks on top of the station.

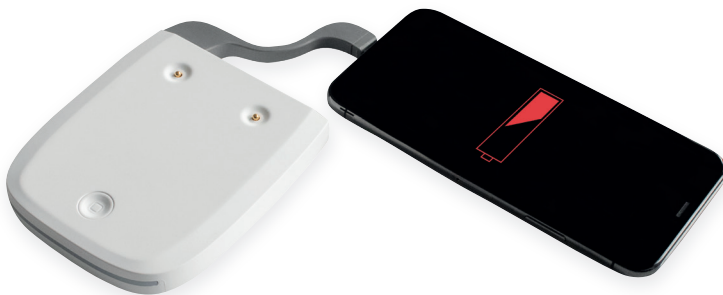

Allow your guests to charge their smartphones and provide an even more comfortable stay.

Thanks to the coloured lights you can quickly recognize the charging status.

Connect smartphone, push button, charge – done.

**One set includes:**

2 x microUSB

2 x USB-C

2 x Lightning\*

**ALSO AVAILABLE:**  
TowerBank (large) with  
10 powerbanks (4x microUSB,  
4x USB-C, 2x Lightning\*) instead of 6.
